

# CAIS 380: Intro Machine Learning

Spring 2024

---

## In-class Activity 01: GitHub

*Activity is DUE as indicated on the course schedule.*

### Goals:

- Accept and submit an assignment on GitHub Classroom
- Open, edit, and run a file in python or R

### Part 1

- Accept the assignment, and follow the instructions in the repository
- R version: <https://classroom.github.com/a/ss0XE2sK>
- Python version: <https://classroom.github.com/a/Mjh7FSjT>

### Submission

Push your final code to GitHub. Submit on Gradescope.
